# *Dedication*

We, the Annual Staff of Quitman High School, hereby dedicate this, our 1951-1952 yearbook, to the cause, the ideal and the eventual reality of world peace.

We hereby pledge ourselves to continue and promote, to the best of our ability, those qualities of conduct and thought in our relationships with society, which will be of greatest value toward the consummation of this achievement.

#### Principal's Message

I think I can say, without hypocrisy, that the students of Quitman High School have shown themselves to be a fine group of boys and girls, eager to do well in the important phase of life labeled "PREPARATION." You have been very nice to me this year and I hope each association we have had might lead to a more vivid comprehension of our needs for an excellent school. Certainly, it hasn't all been easy and many times we have not understood the 'why' of many things, but you have co-operated wonderfully, for which I am truly thankful.

May we as students and teachers always remember:  
"TO ERR IS HUMAN; TO FORGIVE IS DIVINE." Remember your Creator in the days of your youth and all things will be well.
